We have waited long enough for spring to arrive this year and with the late warm up we are pressed for time to get ready for boating season. We have a lot of maintenance projects to do this year and it is even more important than ever that everyone come out and lend a hand on April 19th for the work party. We know that everyone cannot do as much as they might like to help due to physical limitations but there is something that everyone can do that will help us make the club a beautiful place for us all to enjoy this summer. Please come out and help!

We have begun to plan some amazing cruises for this year, beginning on 6/14-15 with a Pleasure Island raft-up weekend. If you don't know, Pleasure Island is only a 20 minute cruise from the club and located directly next to Hart-Miller Island. The water is very calm there and the bottom is great sand. A bunch of other clubs is also looking to join this cruise and we want to make our showing. July 25-27<sup>th</sup> we will be cruising to the Georgetown marina and the Granary on the Sassafras river. The marina has great facilities including a pool and restaurants. They are offering \$1 per foot for groups of 10 boats or more. If you have never been on the sassafras, it is a beautiful place. Members will be responsible for making your own dockage reservations but be sure to tell them that you are with MRYC.

The first weekend in October is the Fells point fun festival in Baltimore. This is a great time to go down and stay in Baltimore and enjoy the city for the weekend. I have done this event every year for the past ten years at least, and stayed at Henderson's Wharf Marina. Slips are limited and go very quickly so get your reservations early.
